COMPETITIVE ADVANTAGES

1. 100% CNC solely operated service, with space allocation dedicated for CNC customers
2. Full operational control over scheduling and fixed Manila North window ensuring service reliability
3. Fast transit time with direct connection between Philippines outports (e.g. Subic Bay, Davao) and Hong Kong and South China, especially relevant for customers looking to reach electronic and automotive sectors south of Manila
4. Convenient service for customers shipping perishables and fresh fruits from Mindanao to Hong Kong and South China
5. Extended reach from Philippines outports to connect U.S., Canada and Europe via Hong Kong or Shekou as transshipment hubs
