CMA CGM Strengths

- First barge service to facilitate Indonesia's exports and imports
- First connection between the two Indonesian islands and Singapore
- CMA CGM Group's strategic commitment to serve and support the local economy by taking Indonesia cargoes to markets afar
- Meets the strong demand for equipment and keeps shippers' supply chain moving
- This offering efficiently facilitates export shipments bound for Europe, the United States, the Mediterranean and Intra-Asia via the trans-shipment hub of Singapore where the comprehensive intra-regional and global services of the Group converge
